THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Chichester in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Chichester on Tuesday, the 9th day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same.

3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of current year taxes and to issue notes therefor in the name and on the credit of the Town, said notes to be repaid from receipts of current year taxes.

4. To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars, (\$400.00) for payment of 1954 Blister Rust control.

5. To see if the Town shall adopt the provisions of Chapter 171-A of the Revised Laws relative to playing games of Beano in this Town.

6. To see if the Town will vote to raise and appropriate the sum of Seventy Dollars (\$70.00) for the Merrimack Valley Region Association.

7. To see if the Town will vote to raise and appropriate the sum of Nine Hundred Five Dollars (\$905.00) for Concord Hospital.

8. To see if the Town will vote to raise and appropriate a sum not to exceed Five Hundred Dollars (\$500.00) to assist the Fire Department in completing the new Fire House. (By request of the Val. Fire Dept.)

9. To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty Dollars (\$150.00) for the cost of a Red Network Telephone system to facilitate Fire Department calls.

10. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 1st day of February in the year of our Lord nineteen hundred and fifty-four.

LIBRARIAN'S REPORT

There were 32 books purchased in 1953 including three books of non-fiction. We have also received several books from friends.

The Book-mobile still comes to our Central School.

We have only one branch library in town.

Mrs. Mable Stevens is still in charge at Horse Corner.

Mrs. Stevens receives \$3.00 for her services as librarian.

I have received from Mr. Parker, Trustee, \$72 for the purchase of books.

Again many thanks to Mr. Parker for always having the library warm for me.

The usual books have been received from the State.

SADIE A. LANGMAID,

Librarian

AUDITORS' REPORT

We hereby certify that we have examined the accounts of the Selectmen, Town Treasurer, Town Clerk, Tax Collector, Road Agents, Trustee of Trust Funds, according to instructions of Tax Commission's Auditors for the year ending Dec. 31, 1953 and find them correctly cast and properly vouched.

REPORT OF THE CHICHESTER VOLUNTEER FIRE DEPARTMENT

As Chief of the Chichester Volunteer Fire Department for 1954, I would like to dedicate this report to all of those persons who have donated lumber, money or their time and effort towards our new fire house. As I write this report I look back one year and can remember seeing some of the firemen and friends of the Department start for the woods to start cutting the first trees donated towards this project. From the beginning we and our friends have cut, yarded, trucked, sawed, stuck, dried, sized and retrucked the lumber (with the exceptions of some floor stringers) to the fire house site. The foundation for the new building was poured and after the sides were partly up we tore down the old one. Soon it was boarded in, the roof was on and the fire trucks were in the new building ready for action. Then the doors, windows, insulation, lights and wiring were added. Next we added a new hot air heating system which was donated by The Ladies' Auxiliary to our Department.

At this writing we have all of the upstairs left to finish and also a new cement floor to lay downstairs.

Besides doing all this work your Department was called out during the past year for seven house fires, two chimney fires, three grass fires, one car fire and for two overheated stoves.

On behalf of the Department I wish to extend sincere thanks to those who donated money (which amounted to \$73.50), to those who donated the lumber, to The Ladies' Auxiliary, (for the heating system and the lunches sent us while working on the building), to those firemen who gave of their labor and time and to all the others who in any way helped us get this building erected.

It is with regret that I speak of the passing of one

of our Officers, Lieutenant Dean Ordway, who was interested in our plans for our new fire house and would have liked to have seen the building as it now stands.

In closing may I leave the thought with you that The Department will, in the near future need at least 500 feet of new hose (to replace that which has deteriorated and burst). Also I would suggest an asbestos suit which costs about \$20.00, be provided. This would allow a fireman to reach into a burning car or go into a burning building and carry a person to safety, where otherwise he would be unable to perform this task. Also we should have a new type nozzle which has just been put on the market (for about \$50.00) which would allow us to apply foam to gasoline fires or wherever else it might be needed with our high pressure line.

Respectfully submitted,

SHIRLEY A. MARDEN

People Play a Vital Part in Our Forest Fire Problems

A review of the 1953 fire season proves the vital part people play in the never ending battle to prevent forest fires.

In this fire district there were 133 fires in 26 of the district's 30 towns; 409 acres were burned over and it cost \$9,499.97 to extinguish them. This figure was reduced somewhat through payment of fire costs by persons responsible for illegal fires, fires which escaped from control and fires caused by their carelessness. Costs were abnormally high this year due to protracted periods of dry weather which increased the difficulty of extinguishing fires.

Eighty-eight percent of the 133 fires were man-caused and could have been prevented. They tell a story which needs to be carefully studied. Some people were careless in disposing of smoking material and camp fires; others burned without the required warden permit — disregarding weather, forest conditions and the normal safeguards recognized and considered by the warden in issuing permits. Other fires resulted from children playing with matches, carelessly handled fireworks, faulty railroad and truck equipment, etc.

These fires cost a lot to extinguish, most of which could have been avoided — this affects taxes; local business was interrupted by men leaving their jobs to extinguish the fires; trees that might otherwise have built houses, repaired bridges and supplied raw materials for local industries were destroyed; seedling growth — the future timber crop was wiped out.

This picture can, however, be reversed if people who offend could be impressed with the importance of observing the simple but essential common sense safeguards that will prevent forest fires. They are:

1. Care in disposing of lighted cigars, cigarettes and matches in and near woodlands.

2. Care in selecting camp fire sites and completely extinguishing them.

3. Consultation with the local forest fire warden before burning to secure the required permit.

People play a vital part in our forest fire problem. It is EVERYONE'S job to HELP PREVENT FOREST FIRES.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Chichester:

It is a pleasure and a privilege to report to you again the condition of your school.

It is my honest opinion that it is in excellent condition at the present time. The staff is an admirable one, headed by a capable young educator and ably assisted by well prepared and experienced teachers. The morale of the system is high, the instruction thorough and meaningful.

You have, through your foresight and generosity, made possible the enlargement of the staff this year and in this way greatly helped to take care of the crowded condition of the first grade, which was a serious problem last year.

A nice adjustment has been made to handle the pupils in the hot lunch program and an increasing number are being given a hot meal every day.

Your budget for next year reflects a rise in high school tuition costs that is beyond your control.

It is my belief that you should consider increasing the amount appropriated for custodial service. You have a new building and it should be kept clean. For a part of the year it was not; but, fortunately, we secured the help of a local citizen who is now doing a wonderful job for you. The cost of such services is actually more than the amount budgeted. It is prudent spending to care for such a building in a manner befitting it. Children should attend schools that are clean, well equipped and cheerful. Parents and citizens also take pride in having such schools well cared for.

You are invited also to consider paying better salaries for your teachers. They are worth more to you than you may at first think. They spend much time, thought and effort caring for your children. Now that you have good teachers, I recommend that you encourage them to remain with you by paying them as much as you can afford.

A community's school is one great bulwark of its intellectual life. It should reflect the culture of its people and their desires and aspirations for their children. Wise parents are fully aware of this fact and are consequently zealous in their efforts to have their schools reflect their thinking.

I acknowledge with thanks the cooperation and help given me during this past year by teachers, School Board members and citizens of Chichester and hope for your continued aid.

Respectfully submitted,

WILLIAM B. HOUNSELL,
Superintendent of Schools
